Summary

Software Developer with over a decade of programming experience and a passion for writing robust, scalable software, based in London, UK. I bring an ambitious and proactive mindset, fast learning ability, and proven leadership experience. I am always keen to apply my technical expertise and creativity in professional environments.

Skills

Languages JavaScript/TypeScript • Python • C/C++ • Java • C# • Haskell • SQL • HTML/CSS • LaTeX

Technologies Node.JS • React • Next.JS • MongoDB • Git • Docker • Bash • Unix

Other Problem Solving • Teamwork • Public Speaking • Time Management • Customer Service

Experience

Software Developer, **Park Place Technologies**, London — September 2025-Present

- Full stack software development in a fast-paced environment.
- Working with a range of technologies including TypeScript, Java and C/C++.
- Collaborating with a team of developers to design and implement new features, fix bugs, and improve performance.
- Led a major upgrade of a 30,000-line TypeScript codebase from TypeScript 2.7 to 6.0, enabling strict mode and improving type safety, maintainability, and developer tooling.

Software Developer (Self-Employed), **Bean Sync**, Remote — August 2026-Present

- Full stack software development for an inventory and order management platform for coffee wholesalers.
- Developing and maintaining a React-based web application, with Supabase providing backend services and Netlify hosting the platform.
- Working directly with the startup to design and implement new features, improve existing functionality, and resolve bugs.
- Contributing across the full development lifecycle, from requirements and system design through to implementation and deployment.

Bar Tender, **The Three Tuns**, Bishop's Stortford — Holiday Work 2021-2025

- Served customers, managed inventory, and maintained cleanliness and organisation.
- Often operated solo as well as part of a team, requiring high levels of responsibility and reliability.
- Developed excellent communication and customer service skills.

Work Experience, **ARM Holdings** — December 2019

- Observed day-to-day operations in a major tech company.
- Worked on small group problem-solving tasks, enhancing teamwork and communication skills.

Work Experience, **Bit Solutions** — June 2018

- Shadowed IT professionals providing client services.
- Gained experience in system setup, maintenance, and small business operations.

Qualifications

The University of Edinburgh — 2021-2025

Computer Science, BSc — First Class Honours

- Developed a strong understanding of core computer science concepts through both individual and team-based projects.
- Built a variety of applications using different languages and frameworks, refining problem-solving, communication, and analytical skills.
- Expanded workplace skills such as resilience, self-awareness, self-discipline, time management, productivity, and self-assertiveness.

Dissertation

A Graphical Playground for Haskell — Grade: 89% [Haskell/Next.JS]

- Designed and implemented a web-based Haskell editor with a custom graphics library.
- Enabled users to create 2D images and animations using Haskell, executed in-browser.

The Bishop's Stortford High School — 2014-2021

A Levels

Computer Science • Maths • Physics

A*

Further Maths

B

GCSEs

Biology • Computer Science • English Language • History • Maths • Physics

8

Chemistry • English Literature • French

7

Volunteer Experience

Club Volunteer, Bishop's Stortford Rugby Football Club — 2025-Present

- Produce weekly match-day slides featuring sponsorship information and details about the day's fixtures.
- Set up and operate the speaker system in the marquee for 1st XV match-day lunches.
- Regularly manage and maintain the clubhouse TV and speaker systems outside of match days.

Secretary, Edinburgh University Pool Society — 2024-2025

- Managed event planning, communication, and social media promotion.
- Developed organisational and time management skills.

President, TBSHS Interact — Junior Rotary Group — 2020-2021

- Chaired weekly meetings and oversaw charity event planning.
- Built strong public speaking, leadership, and coordination skills.
- Delivered interviews with public figures on a regular basis throughout the term.

Committee Member, TBSHS Interact — Junior Rotary Group — 2014-2020

- Coordinated and took the lead in annual charity fundraisers.
- Promoted the organisation and its events throughout the local community.

Senior Prefect, The Bishop's Stortford High School — 2020-2021

- Assisted with school events and represented the school and Sixth Form.
- Curated leadership and teamwork skills.

Maths Tutor, The Bishop's Stortford High School — 2020-2021

- Provided weekly one-to-one tutoring in maths for younger pupils.
- Augmented patience, communication and teaching skills.

School Librarian, The Bishop's Stortford High School — 2014-2019 (Committee 2017-2019)

- Helped organise other student volunteers and weekly operations.
- Participated in weekly forum to discuss library operations.
